Recognizing the way ways to acquire this books **Ben Gurion Father Of Modern Israel Jewish Lives** is additionally useful. You have remained in right site to start getting this info. get the Ben Gurion Father Of Modern Israel Jewish Lives connect that we present here and check out the link.

You could buy guide Ben Gurion Father Of Modern Israel Jewish Lives or get it as soon as feasible. You could quickly download this Ben Gurion Father Of Modern Israel Jewish Lives after getting deal. So, behind you require the books swiftly, you can straight acquire it. Its so very simple and therefore fats, isnt it? You have to favor to in this ventilate

**A Promise Fulfilled** Howard Greenfeld  
2005-04-01 Presents an historical examination and review of the Zionist movement and the foundation of Israel in

1948, complete with sidebars, timeline, photographs, and index.  
Jews and Words Amos Oz 2012-11-20 DIV  
Why are words so important to so many Jews? Novelist Amos Oz and historian Fania

Oz-Salzberger roam the gamut of Jewish history to explain the integral relationship of Jews and words. Through a blend of storytelling and scholarship, conversation and argument, father and daughter tell the tales behind Judaism's most enduring names, adages, disputes, texts, and quips. These words, they argue, compose the chain connecting Abraham with the Jews of every subsequent generation. Framing the discussion within such topics as continuity, women, timelessness, and individualism, Oz and Oz-Salzberger deftly engage Jewish personalities across the ages, from the unnamed, possibly female author of the Song of Songs through obscure Talmudists to contemporary writers. They suggest that Jewish continuity, even Jewish uniqueness, depends not on central places, monuments, heroic personalities, or rituals but rather on written words and an ongoing debate between the generations. Full of learning,

lyricism, and humor, *Jews and Words* offers an extraordinary tour of the words at the heart of Jewish culture and extends a hand to the reader, any reader, to join the conversation. /div

*Like Stars and Dust* David Ben-Gurion 1997

**What Ifs of Jewish History** Gavriel D. Rosenfeld 2016-08-31 Counterfactual history of the Jewish past inviting readers to explore how the course of Jewish history might have been different.

The Question of Zion Jacqueline Rose 2005 Zionism was inspired as a movement--one driven by the search for a homeland for the stateless and persecuted Jewish people. Yet it trampled the rights of the Arabs in Palestine. Today it has become so controversial that it defies understanding and trumps reasoned public debate. So argues prominent British writer Jacqueline Rose, who uses her political and psychoanalytic skills in this book to take an

unprecedented look at Zionism--one of the most powerful ideologies of modern times. Rose enters the inner world of the movement and asks a new set of questions. How did Zionism take shape as an identity? And why does it seem so immutable? Analyzing the messianic fervor of Zionism, she argues that it colors Israel's most profound self-image to this day. Rose also explores the message of dissidents, who, while believing themselves the true Zionists, warned at the outset against the dangers of statehood for the Jewish people. She suggests that these dissidents were prescient in their recognition of the legitimate claims of the Palestinian Arabs. In fact, she writes, their thinking holds the knowledge the Jewish state needs today in order to transform itself. In perhaps the most provocative part of her analysis, Rose proposes that the link between the Holocaust and the founding of the Jewish

state, so often used to justify Israel's policies, needs to be rethought in terms of the shame felt by the first leaders of the nation toward their own European history. For anyone concerned with the conflict in Israel-Palestine, this timely book offers a unique understanding of Zionism as an unavoidable psychic and historical force.

**Israel** Anita Shapira 2012 A history of Israel in the context of the modern Jewish experience and the history of the Middle East

*Zionism* Milton Viorst 2016-07-19 "Viorst examines the evolution of Zionism, from its roots by serving as a cultural refuge for Europe's Jews, to [what he sees as] the cover it provides today for Israel's exercise of control over millions of Arabs in occupied territories"--Amazon.com.

*Lioness* Francine Klagsbrun 2017 A "biography of Golda Meir, the iron-willed leader, chain-smoking political operative,

and tea-and-cake-serving grandmother who became the fourth prime minister of Israel and one of the most notable women of our time"--

Memoirs: David Ben-Gurion David Ben-Gurion 1970 "Based on a series of interviews with Ben-Gurion during the filming of the Covenant Communications Corporation production of Forty-two six." Bibliography: p. [215]-216. Jacket price: 6.95.

Ben-Gurion's Political Struggles, 1963-1967 Zaki Shalom 2006 An essential insight into this central figure in the modern history of Israel and Zionism. This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today. This book traces Daniel Ben-Gurion's waning years in Israeli politics. After his resignation from the office of prime minister in 1963, the 'Old Man' soon lost faith in his

self-chose successor, Levi Eshkol, and ceaselessly tried to undermine the latter's premiership, eventually forming a breakaway party. The events leading up to the Six-Day War in June 1967 caught Ben-Gurion by surprise. During the weeks-long 'waiting period' prior to the outbreak of hostilities, he paid little attention to daily security issues. But when war did erupt, he displayed one of his key leadership skills - the ability to formulate an accurate, independent situation assessment. It will be of interest to scholars working in Israeli politics and history, this is a lucid, thoroughly researched account of the sunset years of the driving force behind the Israeli nation-state.

**Desert in the Promised Land** Yael Zerubavel 2018-12-25 At once an ecological phenomenon and a cultural construction, the desert has varied associations within Zionist and Israeli culture. In the Judaic

textual tradition, it evokes exile and punishment, yet is also a site for origin myths, the divine presence, and sanctity. Secular Zionism developed its own spin on the duality of the desert as the romantic site of Jews' biblical roots that inspired the Hebrew culture, and as the barren land outside the Jewish settlements in Palestine, featuring them as an oasis of order and technological progress within a symbolic desert. Yael Zerubavel tells the story of the desert from the early twentieth century to the present, shedding light on romantic-mythical associations, settlement and security concerns, environmental sympathies, and the commodifying tourist gaze. Drawing on literary narratives, educational texts, newspaper articles, tourist materials, films, popular songs, posters, photographs, and cartoons, Zerubavel reveals the complexities and contradictions that mark Israeli society's

semiotics of space in relation to the Middle East, and the central role of the "besieged island" trope in Israeli culture and politics. Theodor Herzl Derek Jonathan Penslar 2020-02-18 From the prizewinning Jewish Lives series, a masterful new biography of Theodor Herzl by an eminent historian of Zionism "An excellent, concise biography of Theodor Herzl, architect of modern Zionism. . . . An exceptionally good, highly readable volume."--Publishers Weekly, starred review "An engrossing account of a leader who, by converting despair into strength, gave an exiled people both political purpose and the means to attain it."--Benjamin Balint, Wall Street Journal The life of Theodor Herzl (1860-1904) was as puzzling as it was brief. How did this cosmopolitan and assimilated European Jew become the leader of the Zionist movement? How could he be both an artist and a statesman, a rationalist and an aesthete, a stern moralist yet possessed of

deep, and at times dark, passions? And why did scores of thousands of Jews, many of them from traditional, observant backgrounds, embrace Herzl as their leader? Drawing on a vast body of Herzl's personal, literary, and political writings, historian Derek Penslar shows that Herzl's path to Zionism had as much to do with personal crises as it did with antisemitism. Once Herzl devoted himself to Zionism, Penslar shows, he distinguished himself as a consummate leader--possessed of indefatigable energy, organizational ability, and electrifying charisma. Herzl became a screen onto which Jews of his era could project their deepest needs and longings. About Jewish Lives: Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion, philosophy, politics,

cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: "Excellent." - New York times "Exemplary." - Wall St. Journal "Distinguished." - New Yorker "Superb." - The Guardian

**A Jewish State** Theodor Herzl 1904

Living with the Bible Moshe Dayan 1978

Illustrated, personalized recreation of the dramatic events of the Old Testament as told by Israel's legendary soldier/statesman. An exploration of the archeology of the Holy Land and a re-interpretation of familiar Bible stories.--Amazon.com.

*Homeland* Marv Wolfman 2007 In graphic novel format, presents four thousand years

of Jewish history culminating in the modern state of Israel.

**Ben-Gurion** Shim'on Peres 2011 A revelatory portrait of Israel's first prime minister, written by its current president, includes coverage of his support of the United Nations 1947 Partition Plan for Palestine, his granting of first exemptions to Orthodox military servicepeople and his peaceful overtures toward post-Holocaust Germany.

**A State at Any Cost** Tom Segev 2019-09-24 2019 National Jewish Book Award Finalist "[A] fascinating biography . . . a masterly portrait of a titanic yet unfulfilled man . . . this is a gripping study of power, and the loneliness of power." —The Economist As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he thereupon took control of

the Zionist movement, declared Israel's independence, and navigated his country through wars, controversies and remarkable achievements. And yet Ben-Gurion remains an enigma—he could be driven and imperious, or quizzical and confounding. In this definitive biography, Israel's leading journalist-historian Tom Segev uses large amounts of previously unreleased archival material to give an original, nuanced account, transcending the myths and legends that have accreted around the man. Segev's probing biography ranges from the villages of Poland to Manhattan libraries, London hotels, and the hills of Palestine, and shows us Ben-Gurion's relentless activity across six decades. Along the way, Segev reveals for the first time Ben-Gurion's secret negotiations with the British on the eve of Israel's independence, his willingness to countenance the forced transfer of Arab neighbors, his relative indifference to

Jerusalem, and his occasional “nutty moments”—from UFO sightings to plans for Israel to acquire territory in South America. Segev also reveals that Ben-Gurion first heard about the Holocaust from a Palestinian Arab acquaintance, and explores his tempestuous private life, including the testimony of four former lovers. The result is a full and startling portrait of a man who sought a state “at any cost”—at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation, and reason. Segev’s Ben-Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill—a twentieth-century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today.

Menachem Begin Daniel Gordis 2014 " A fascinating biography of the sixth prime

minister of Israel that explains how the pre-state terrorist became the first Israeli leader to sign a peace treaty with an Arab country. B>eviled as a fascist demagogue by his great rival Ben-Gurion, venerated by Israel's underclass, the first Israeli to win the Nobel Peace Prize, a proud Jew but not a conventionally religious one, Menachem Begin was a complex and controversial figure. Born in Poland in 1913, Begin was a youthful admirer of the Revisionist Zionist Ze'ev Jabotinsky, and soon became a leader within Jabotinsky's Betar movement. A powerful orator and mesmerizing public figure, Begin was imprisoned by the Soviets in 1940, joined the Free Polish Army in 1942, and arrived in Palestine as a Polish soldier shortly thereafter. Joining the underground paramilitary Irgun in 1943, he achieved instant notoriety for the organization's devastating bombings of British military installations and other

violent acts. Intentionally left out of the newly established Israeli government, Begin's right-leaning Herut political party became a fixture of the opposition to the Labor-dominated governments of Ben-Gurion and his

**A History of Modern Israel** Colin Shindler  
2013-03-25 Colin Shindler's remarkable history begins in 1948, as waves of immigrants arrived in Israel from war-torn Europe to establish new cities, new institutions, and a new culture founded on the Hebrew language. Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours, internal ideological differences, and ongoing confrontation with the Palestinians. In this updated edition, Shindler covers the significant developments of the last decade, including the rise of the Israeli far right, Hamas's takeover and the political rivalry between Gaza and the West Bank, Israel's

uneasy dealings with the new administration in the United States, political Islam and the potential impact of the Arab Spring on the region as a whole. This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light.

**Ben-Gurion, Prophet of Fire** Dan Kurzman 1983

*Is the Idea of a Jewish State Anachronistic, Based on 19th Century Ideology, and Incompatible with 21st Century Values?*  
Kathrin Nina Wiedl 2007-11 Essay from the year 2006 in the subject Politics - International Politics - Region: Near East, Near Orient, grade: 1,7, Ben Gurion University (Middle East Institute), course: Politics and Society of Israel, 32 entries in the bibliography, language: English, comment: This essay examines the

question, if the idea of a Jewish state, based on 19th century ideology, is anachronistic and incompatible with 21st century values. It differentiates between a Jews' state in a non-religious, national meaning and a Jewish state. It aims to prove, that a Jews' State is not contradicting 21st century values, such as personal freedom, human rights, civil rights and minority rights and essential for the guarantee of these rights, inside and outside of Israel., abstract: When we look at the contemporary discussions inside and outside Israel, we see a tendency to question the right of Israel to exist as a Jewish State. This criticism comes from two different perspectives. On the one hand it is questioned if a Jewish State - defined by the law of Halakha in important personal matters like marriage and divorce and in several public affairs, such as no public transportations on Shabbat - is contradicting individual rights, such as freedom of religion

and women's rights. On the other hand it is questioned if the idea of a Jewish State is compatible with the value of democracy, equal citizen rights for all citizens - including the Arab Israelis - and incompatible with human rights. This essay aims to prove that a Jewish State is an essential part of the world community in order to ensure human rights inside and outside of Israel and justified from the perspective of 21st century values. In order to make this point, we have to examine three things: First: Are the values that led to the Zionist demand of a homeland for the Jewish people still values of the 21st century and is this demand still justified? Second: Does the Idea of a Jewish State contradict the values of the 21st century?

*Ben-Gurion* Anita Shapira 2014-01-01 David Ben-Gurion cast an enormous shadow across his world, and his legacy in the Middle East and beyond continues to be

hotly debated to this day. There have been many books written about the life and accomplishments of the Zionist icon and founder of modern Israel, but this new biography by eminent Israeli historian Anita Shapira is the first to get to the core of the complex man who would become the face of a new nation. Shapira tells the Ben-Gurion story anew, focusing especially on the period in 1948 immediately following Israel's declaration of independence, a time few historians have concentrated on and none have explored in such intimate detail. Through her intensive research and access to Ben-Gurion's personal archives and rarely viewed documents and letters, the author gained powerful insights into his private persona. Her fascinating literary portrait of David Ben-Gurion bares the flesh-and-blood man inside the influential historical figure who brought the Zionist dream to full fruition.

**Land and Power** Anita Shapira 1999 This book traces the history of attitudes toward power and the use of armed force within the Zionist movement—from an early period in which most leaders espoused an ideal of peaceful settlement in Palestine, to the acceptance of force as a legitimate tool for achieving a sovereign Jewish state. Reviews "A rich and sophisticated work that nicely complements more conventional political-historical studies of the Arab-Israeli conflict. . . . Shapira sifts through a vast body of material, ranging from essays, poems, and memoir literature to the unpublished minutes of political party and youth group meetings. Shapira interprets these sources with sensitivity and insight . . . and writes with power, compassion, and warmth. . . . A landmark book that is an outstanding contribution to the history of Zionist political thought and culture." □American Historical Review "This is a superb book . . . a well-

researched, detailed, and scholarly account that provides new and valuable insights into the dilemma posed by the formation and elaboration of a more forceful Israeli military posture." □The Historian "Shapira's powerful, well-written, lucid intellectual history of a segment of the Zionist movement . . . is fascinating and easy to read." □Journal of Economic Literature Israel at Sixty Deborah Hart Strober 2008-02-11 Based on extensive interviews, Israel at Sixty presents a balanced, comprehensive account of this complex and amazing land. It re-creates historic events from the actions of Israel's founding visionaries through the ravages of six wars with its Arab neighbors to its growing strength and international stature and efforts to make permanent peace with its adversaries. Complete with more than fifty previously unpublished photos, Israel at Sixty is a beautiful keepsake for anyone who

loves, respects, and supports the Jewish state.

**New Essays on Zionism** David Hazony 2006 A selection of articles addressing those fundamental questions that define the agenda for the Jewish state in the 21st century. Among the authors one can find key figures in the Israeli public dialogue, such as Ruth Gavison, Yoram Hazony, Michael Oren, Amnom Rubinstein, and Natan Sharansky.

**Moshe Dayan** Mordechai Bar-On 2012-06-26 Instantly recognizable with his iconic eye patch, Moshe Dayan (1915–1981) was one of Israel's most charismatic—and controversial—personalities. As a youth he earned the reputation of a fearless warrior, and in later years as a leading military tactician, admired by peers and enemies alike. As chief of staff during the 1956 Sinai Campaign and as minister of defense during the 1967 Six Day War, Dayan led the Israel

Defense Forces to stunning military victories. But in the aftermath of the bungled 1973 Yom Kippur War, he shared the blame for operational mistakes and retired from the military. He later proved himself a principled and talented diplomat, playing an integral role in peace negotiations with Egypt. In this arresting biography, Mordechai Bar-On, Dayan's IDF bureau chief, offers an intimate view of Dayan's private life, public career, and political controversies, set against an original analysis of Israel's political environment from pre-Mandate Palestine through the early 1980s. Drawing on a wealth of Israeli archives, accounts by Dayan and members of his circle, and firsthand experiences, Bar-On reveals Dayan as a man unwavering in his devotion to Zionism and the Land of Israel. Moshe Dayan makes a unique contribution to the history of Israel and the complexities of the

Arab-Israeli conflict.

Arrows in the Dark (Volumes 1 and 2) Tuvia Friling 2005-07-25 Arrows in the Dark recounts and analyzes the many efforts of aid and rescue made by the Jewish community of Palestine—the Yishuv—to provide assistance to European Jews facing annihilation by the Nazis. Tuvia Friling provides a detailed account of the activities carried out at the behest of David Ben-Gurion and the Yishuv leadership, from daring attempts to extract Jews from Nazi-occupied territory, to proposals for direct negotiations with the Nazis. Through its rich array of detail and primary documentation, this book shows the wide scope and complexity of Yishuv activity at this time, refuting the idea that Ben-Gurion and the Yishuv ignored the plight of European Jews during the Holocaust.

David Ben-Gurion and the Jewish Renaissance Shlomo Aronson 2010-11-01

This book offers a reappraisal of David Ben-Gurion's role in Jewish-Israeli history from the perspective of the twenty-first century, in the larger context of the Zionist 'renaissance', of which he was a major and unique exponent. Some have described Ben-Gurion's Zionism as a dream that has gone sour, or a utopia doomed to be unfulfilled. Now - after the dust surrounding Israel's founding father has settled, archives have been opened, and perspective has been gained since Ben-Gurion's downfall - this book presents a fresh look at this statesman-intellectual and his success and tragic failures during a unique period of time that he and his peers described as the 'Jewish renaissance'. The resulting reappraisal offers a new analysis of Ben-Gurion's actual role as a major player in Israeli, Middle Eastern, and global politics. Ben-Gurion Shabtai Teveth 1987 Traces the life of the Jewish leader from his birth to the

founding of the state of Israel and analyzes the reasons that underlay his conviction that only the immediate establishment of a Jewish national state would save the Jewish people from annihilation

*Ben-Gurion* Avi Shilon 2016-05-12 This is the first in-depth account of the later years of David Ben-Gurion (1886-1973), Israel's first Prime Minister and founding father. One of the first to sign Israel's declaration of independence and a leading figure in Zionism, Ben-Gurion stepped down from office in 1963 and retired from political life in 1970, deeply disappointed about the path on which the state had embarked and the process that brought about the end of his political career. He moved to a kibbutz in the Negev desert, where he lived until his death. Robbed of the public aura that had wrapped him for decades, his revolutionary passion, which was not weakened in his 80s, pushed him to continue seeking social and

moral change in Israel, a political solution to the Israeli-Arab conflict, and to conduct a personal and national soul-searching about the development of the State he himself had declared. Based on his personal archives and new interviews with his intimate friends and family, the book reveals how the founding father explored the Israeli establishment he created and from which he later disengaged. It provides a thorough examination of the decisive moments in the annals of Zionism as revealed through the lens of Ben-Gurion's worldview, which are still relevant to present-day Israel.

**The Zionist Ideas** Gil Troy 2018 The most comprehensive Zionist collection ever published, *The Zionist Ideas: Visions for the Jewish Homeland--Then, Now, Tomorrow* sheds light on the surprisingly diverse and shared visions for realizing Israel as a democratic Jewish state. Building on Arthur Hertzberg's classic, *The Zionist Idea*, Gil

Troy explores the backstories, dreams, and legacies of more than 170 passionate Jewish visionaries--quadruple Hertzberg's original number, and now including women, mizrachim, and others--from the 1800s to today. Troy divides the thinkers into six Zionist schools of thought--Political, Revisionist, Labor, Religious, Cultural, and Diaspora Zionism--and reveals the breadth of the debate and surprising syntheses. He also presents the visionaries within three major stages of Zionist development, demonstrating the length and evolution of the conversation. Part 1 (pre-1948) introduces the pioneers who founded the Jewish state, such as Herzl, Gordon, Jabotinsky, Kook, Ha'am, and Szold. Part 2 (1948 to 2000) features builders who actualized and modernized the Zionist blueprints, such as Ben-Gurion, Berlin, Meir, Begin, Soloveitchik, Uris, and Kaplan. Part 3 showcases today's torchbearers, including

Barak, Grossman, Shaked, Lau, Yehoshua, and Sacks. This mosaic of voices will engage equally diverse readers in reinvigorating the Zionist conversation--weighing and developing the moral, social, and political character of the Jewish state of today and tomorrow.

**The Ethnic Cleansing of Palestine** Ilan Pappé 2007-09-01 The book that is providing a storm of controversy, from 'Israel's bravest historian' (John Pilger) Renowned Israeli historian, Ilan Pappé's groundbreaking book revisits the formation of the State of Israel. Between 1947 and 1949, over 400 Palestinian villages were deliberately destroyed, civilians were massacred and around a million men, women, and children were expelled from their homes at gunpoint. Denied for almost six decades, had it happened today it could only have been called "ethnic cleansing". Decisively debunking the myth that the

Palestinian population left of their own accord in the course of this war, Ilan Pappé offers impressive archival evidence to demonstrate that, from its very inception, a central plank in Israel's founding ideology was the forcible removal of the indigenous population. Indispensable for anyone interested in the current crisis in the Middle East.

**Ben-Gurion** Shimon Peres 2011-10-25 Part of the Jewish Encounter series Israel's current president gives us a dramatic and revelatory biography of Israel's founding father and first prime minister. Shimon Peres was in his early twenties when he first met David Ben-Gurion. Although the state that Ben-Gurion would lead through war and peace had not yet declared its precarious independence, the "Old Man," as he was called even then, was already a mythic figure. Peres, who came of age in the cabinets of Ben-Gurion, is uniquely placed to

evoke this figure of stirring contradictions—a prophetic visionary and a canny pragmatist who early grasped the necessity of compromise for national survival. Ben-Gurion supported the 1947 United Nations Partition Plan for Palestine, though it meant surrendering a two-thousand-year-old dream of Jewish settlement in the entire land of Israel. He granted the Orthodox their first exemptions from military service despite his own deep secular commitments, and he reached out to Germany in the aftermath of the Holocaust, knowing that Israel would need as many strong alliances as possible within the European community. A protégé of Ben-Gurion and himself a legendary figure on the international political stage, Shimon Peres brings to his account of Ben-Gurion's life and towering achievements the profound insight of a statesman who shares Ben-Gurion's dream of a modern,

*ben-gurion-father-of-modern-israel-jewish-lives*

democratic Jewish nation-state that lives in peace and security alongside its Arab neighbors. In Ben-Gurion, Peres sees a neglected model of leadership that Israel and the world desperately need in the twenty-first century.

### **The Founding Fathers of Zionism**

Benzion Netanyahu 2012 Presents the biographies of Zionist leaders Leo Pinsker, Theodor Herzl, Max Nordau, Israel Zangwill, and Ze'ev Jabotinsky, whose devotion to the movement culminated in the establishment of the state of Israel.

They Came from Everywhere Robert St. John 1962

Jabotinsky's Children Daniel Kupfert Heller 2017-08-07 How interwar Poland and its Jewish youth were instrumental in shaping the ideology of right-wing Zionism By the late 1930s, as many as fifty thousand Polish Jews belonged to Betar, a youth movement known for its support of Vladimir Jabotinsky,

Downloaded from [weightism.org](https://weightism.org) on July 5, 2022 by guest

the founder of right-wing Zionism. Poland was not only home to Jabotinsky's largest following. The country also served as an inspiration and incubator for the development of right-wing Zionist ideas. *Jabotinsky's Children* draws on a wealth of rare archival material to uncover how the young people in Betar were instrumental in shaping right-wing Zionist attitudes about the roles that authoritarianism and military force could play in the quest to build and maintain a Jewish state. Recovering the voices of ordinary Betar members through their letters, diaries, and autobiographies, *Jabotinsky's Children* paints a vivid portrait of young Polish Jews and their turbulent lives on the eve of the Holocaust. Rather than define Jabotinsky as a firebrand fascist or steadfast democrat, the book instead reveals how he deliberately delivered multiple and contradictory messages to his young followers, leaving it to them to

interpret him as they saw fit. Tracing Betar's surprising relationship with interwar Poland's authoritarian government, *Jabotinsky's Children* overturns popular misconceptions about Polish-Jewish relations between the two world wars and captures the fervent efforts of Poland's Jewish youth to determine, on their own terms, who they were, where they belonged, and what their future held in store. Shedding critical light on a vital yet neglected chapter in the history of Zionism, *Jabotinsky's Children* provides invaluable perspective on the origins of right-wing Zionist beliefs and their enduring allure in Israel today.

[Jabotinsky](#) Hillel Halkin 2014-05-27 Vladimir Jabotinsky (1880–1940) was a man of huge paradoxes and contradictions and has been the most misunderstood of all Zionist politicians--a first-rate novelist, a celebrated Russian journalist, and the founder of the branch of Zionism now headed by Benjamin

Netanyahu. This biography, the first in English in nearly two decades, undertakes to answer central questions about Jabotinsky as a writer, a political thinker, and a leader. Hillel Halkin sets aside the stereotypes to which Jabotinsky has been reduced by his would-be followers and detractors alike. Halkin explains the importance of Odessa, Jabotinsky's native city, in molding his character and outlook; discusses his novels and short stories, showing the sometimes hidden connections between them and Jabotinsky's political thought, and studies a political career that ended in tragic failure. Halkin also addresses Jabotinsky's position, unique among the great figures of Zionist history, as both a territorial maximalist and a principled believer in democracy. The author inquires why Jabotinsky was often accused of fascist tendencies though he abhorred authoritarian and totalitarian politics, and

investigates the many opposed aspects of his personality and conduct while asking whether or not they had an ultimate coherence. Few figures in twentieth-century Jewish life were quite so admired and loathed, and Halkin's splendid, subtle book explores him with empathy and lucidity. [The Jewish State: The Struggle For Israel's Soul](#) Yoram Hazony 2000-05-07 Argues that Post-Zionism, a cultural and political revolt, is aiming to dismantle Israel's legal and moral standing as the Jewish state. *Making Israel* Benny Morris 2010-04-23 Benny Morris is the founding father of the New Historians, a group of Israeli scholars who have challenged long-established perceptions about the origins of the Israeli-Palestinian conflict. Their research rigorously documented crimes and atrocities committed by the Israeli armed forces, including rape, torture, and ethnic cleansing. With *Making Israel*, Morris brings

together the first collection of translated articles on the New History by leading Zionist and revisionist Israeli historians, providing Americans with a firsthand view of this important debate and enabling a better understanding of how the New Historians have influenced Israelis' awareness of their own past. "The study of Israeli history, society, politics, and economics over the past two decades has been marked by a fierce and sometimes highly personal debate between 'traditionalists'---scholars who generally interpreted Israeli history and society within the Zionist ethos---and 'revisionists'---scholars who challenged conventional Zionist narratives of Israeli history and society. Making Israel brings together traditionalists and revisionists who openly and directly lay out their key insights about Israel's origins. It also introduces multidisciplinary perspectives on Israel by historians and sociologists, each bringing

into the debate its own jargon, its own epistemology and methodology, and its own array of substantive issues. This is essential reading for anybody who wants to understand the different interpretations of Israeli society and perhaps the central debate among students of modern Israel." --Zeev Maoz, Professor of Political Science at the University of California, Davis, and Distinguished Fellow at the Interdisciplinary Center, Herzliya "Israel's 'new historians' have done a great service to their country, and to all who care about the Arab-Israeli conflict. By challenging myths, reexamining evidence, and asking truly important questions about the past they help to confront the present with honesty and realism. This book provides a sampling of the best of what these courageous voices have to offer." ---William B. Quandt, University of Virginia Benny Morris is Professor of Middle East history at Ben-

Gurion University in Beersheba, Israel, and is the author of Righteous Victims: A History of the Zionist-Arab Conflict, 1881-1999.

**Yitzhak Rabin** Itamar Rabinovich
