1901 UP FROM SLAVERY Booker T. Washington

incidents in my life, which were published consecutively in the Outlook. While they were appearing in that magazine I was constantly surprised at the number of requests which came to me from all parts of the country, asking that the articles be permanently preserved in book form. I am most grateful to the Outlook for permission to gratify these ...

The Bluest Eye - Webs

can have happiness when this life is done. The Reverend Father tells us that. Once every seven days we learn to read and write. We are forbidden to leave the place so the four of us hide near the marsh. My mother, me, her little boy and Reverend Father. He is forbidden to do this but he teaches us anyway watching out for wicked Virginians and ...

use of polluted water, and non-existence of sewage system. As a result, life expectancy was very short. About 80% people worked in small agricultural farms in rural areas and rest 20% people lived in small towns. The villagers worked from sunrise to sunset. Very few people worked in manufacturing, mining and trade units.
