haunting true story of the elusive serial rapist turned

2018. The haunting true story of the elusive serial

rapist turned murderer who terrorized California during

the 70s and 80s, and of the gifted journalist who died

tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster....

Propulsive, can't-stop-now reading.” —Stephen King For

more than ten years, a mysterious and violent predator

committed fifty sexual assaults in Northern California

before moving south, where he perpetrated ten sadistic

murders. Then he disappeared, eluding capture by

multiple police forces and some of the best detectives

in the area. Three decades later, Michelle McNamara, a

true crime journalist who created the popular website

TrueCrimeDiary.com, was determined to find the violent

psychopath she called “the Golden State Killer.”

Michelle pored over police reports, interviewed victims,

and embedded herself in the online communities that were

as obsessed with the case as she was. I'll Be Gone in

the Dark—the masterpiece McNamara was writing at the

time of her sudden death—offers an atmospheric snapshot

of a moment in American history and a chilling account

of a criminal mastermind and the wreckage he left

behind. It is also a portrait of a woman's obsession and

her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

Fight Night Miriam Toews 2021-10-05 "Move over, Scout Finch! There's a new contender for feistiest girl in fiction, and her name is Swiv." -USA Today, "Best Books of the Year" "Toews is a master of dialogue." -New York Times Book Review, Editors' Choice "A revelation." - Richard Russo NPR Best Books of the Year * Shortlisted for the Scotiabank Giller Prize * Writers' Trust Fiction Prize Finalist * Indie Next Pick * Amazon Editors' Pick * Apple Book of the Month From the bestselling author of *Women Talking* and *All My Puny Sorrows*, a compassionate, darkly humorous, and deeply wise novel about three generations of women. "You're a small thing," Grandma writes, "and you must learn to fight." Swiv's Grandma, Elvira, has been fighting all her life. From her upbringing in a strict religious community, she has fought those who wanted to take away her joy, her independence, and her spirit. She has fought to make peace with her loved ones when they have chosen to leave her. And now, even as her health fails, Grandma is fighting for her family: for her daughter, partnerless and in the third term of a pregnancy; and for her granddaughter Swiv, a spirited nine-year-old who has been suspended from school. Cramped together in their Toronto home, on the precipice of extraordinary change, Grandma and Swiv undertake a vital new project, setting out to explain their lives in letters they will never send. Alternating between the exuberant, precocious voice of young Swiv and her irrepressible, tenacious Grandma, *Fight Night* is a love letter to mothers and grandmothers, and to all the women who are still fighting-painfully, ferociously- for a way to live on their own terms.

The Book of Night Women Marlon James 2009-02-19 From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." – The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

The Women's Guide to Overcoming Insomnia: Get a Good Night's Sleep Without Relying on Medication Shelby Harris 2019-07-02 For every woman who "does it all" . . . except get a good night's sleep! More than 60 percent

of American women have trouble sleeping— which isn't surprising, as they have a higher risk of developing sleeping problems. But addressing this issue is more nuanced for women than for men; pregnancy and menopause are just two factors that add complexity to an already difficult problem. At the risk of jeopardizing work, parenting, relationships, or overall health, no woman can afford to deal with sleep deprivation on her own. The Women's Guide to Overcoming Insomnia is a roadmap for those who experience anything from occasional bad nights to chronic insomnia. It outlines several methods to overcome these issues and improve physical and emotional well-being. From medical sleep aids to nonmedical approaches, the book looks beyond the basics of sleep hygiene, helping women to retrain their bodies and minds for a good night's sleep every night.

The Night Watchman Louise Erdrich 2020-03-03 WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich's grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new "emancipation" bill on its way to the floor of the

United States Congress. It is 1953 and he and the other council members know the bill isn't about freedom; Congress is fed up with Indians. The bill is a "termination" that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans "for as long as the grasses shall grow, and the rivers run"? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice's shameful alcoholic father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to follow her beloved older sister, Vera, who moved to the big city of Minneapolis. Vera may have disappeared; she hasn't been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice's best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In *The Night Watchman*, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, The

Night Watchman is a majestic work of fiction from this revered cultural treasure.

The Things That Fly in the Night Giselle Liza Anatol 2015-02-16 *The Things That Fly in the Night* explores images of vampirism in Caribbean and African diasporic folk traditions and in contemporary fiction. Giselle Liza Anatol focuses on the figure of the soucouyant, or Old Hag—an aged woman by day who sheds her skin during night's darkest hours in order to fly about her community and suck the blood of her unwitting victims. In contrast to the glitz, glamour, and seductiveness of conventional depictions of the European vampire, the soucouyant triggers unease about old age and female power. Tracing relevant folklore through the English- and French-speaking Caribbean, the U.S. Deep South, and parts of West Africa, Anatol shows how tales of the nocturnal female bloodsuckers not only entertain and

encourage obedience in pre-adolescent listeners, but also work to instill particular values about women's "proper" place and behaviors in society at large. Alongside traditional legends, Anatol considers the explosion of soucouyant and other vampire narratives among writers of Caribbean and African heritage who in the past twenty years have rejected the demonic image of the character and used her instead to urge for female mobility, racial and cultural empowerment, and anti colonial resistance. Texts include work by authors as diverse as Nobel Laureate Toni Morrison, U.S. National Book Award winner Edwidge Danticat, and science fiction/fantasy writers Octavia Butler and Nalo Hopkinson.

Spending the Night on the Pike Tim O'Gorman 2013-04-01 "Staying here tonight. A beautiful motel as most of them are and there are so many." So wrote a traveler spending a night at a motel between Richmond and Petersburg, Virginia writing home on the motel's postcard in 1955. U.S. Highway 1, before the arrival of Interstate 95, was considered America's Main Street, the most heavily traveled highway on the east coast, running from the Canadian border in Maine to Key West, Florida. In 2010, Highway 1 was designated an Historic Highway. The stretch of highway between Richmond and Petersburg, long known locally as the Richmond-Petersburg Turnpike, or "Pike" for short, was an important stopover for tourists driving to and from Florida and the number, and variety, of travel accommodations attest to the Pike's popularity. Using over 160 postcards along with over 55 other images including some provided by the Virginia Department of Historic Resources and the Chesterfield County Historical Society, the book provides a history of motels, tourist courts, tourist camps, etc. that

flourished along Historic Highway 1 from 1920 to 1975. But *Spending the Night on the Pike* is not a history of postcards. It is a history of what postcards tell us about travelers in the first half of the 20th century and of the evolution of the lodging that accommodated them. For many tourist courts and motels, postcards are the only record remaining of these once vibrant businesses and are the source of clues that help identify buildings that still remain but are hidden or disguised. For those motels still operating, their postcards give us a glimpse of their former glory, when they were new and polished, before the arrival of the interstates that siphoned off the tourist business. And they tell of the time when motels were family-owned "Mom and Pop's" and proudly advertised that fact on their postcards. It is also a nostalgic look back for those who remember the time when road trips required driving through towns instead of around them and of a time that seems less complicated, less stressful, and less rushed. And for those who take the time to look, the motels, tourist courts, and tourist cabins still standing provide us a reminder of that earlier time.

Daydreams and Night Visions Charles Duane Henley
2011-12-28 Through poetry and story, Daydreams and Night Visions moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness

helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the battle for their souls—if only for a season.

Krik? Krak! Edwidge Danticat 2004-01-01 Arriving one year after the Haitian-American's first novel (Breath, Eyes, Memory) alerted critics to her compelling voice, these 10 stories, some of which have appeared in small literary journals, confirm Danticat's reputation as a remarkably gifted writer. Examining the lives of ordinary Haitians, particularly those struggling to survive under the brutal Duvalier regime, Danticat illuminates the distance between people's desires and the stifling reality of their lives. A profound mix of Catholicism and voodoo spirituality informs the tales, bestowing a mythic importance on people described in the opening story, "Children of the Sea," as those "in this world whose names don't matter to anyone but themselves." The ceaseless grip of dictatorship often leads men to emotionally abandon their families, like the husband in "A Wall of Fire Rising," who dreams of escaping in a neighbor's hot-air balloon. The women exhibit more resilience, largely because of their insistence on finding meaning and solidarity through storytelling; but Danticat portrays these bonds with an honesty that shows that sisterhood, too, has its power plays. In the book's final piece, "Epilogue: Women Like Us," she writes: "Are there women who both cook and write? Kitchen poets, they call them. They slip phrases into their stew and wrap meaning around their pork

before frying it. They make narrative dumplings and stuff their daughter's mouths so they say nothing more." The stories inform and enrich one another, as the female characters reveal a common ancestry and ties to the fictional Ville Rose. In addition to the power of Danticat's themes, the book is enhanced by an element of suspense (we're never certain, for example, if a rickety boat packed with refugees introduced in the first tale will reach the Florida coast). Spare, elegant and moving, these stories cohere into a superb collection.

The Children of the Night Edwin Arlington Robinson 1897

The Leopard Woman Stewart Edward White 1916 Once well beyond the chance of a fire glimmer he arose to his feet and quickly regained his own camp. This was exactly on the opposite side of the circle. The four men with whom he shared his tiny cotton tent, askaris all as beseemed his dignity, were sound asleep. He squatted on his heels, pushed together the embers of his fire, staring into the coals. His ugly face was as though carved from ebony. Only his wild savage eyes glowed and flashed with a brooding lambent flame; and his wide nostrils slowly expanded and contracted as though with some inner heaving emotion.

All-night Party Andrea Barnett 2004-01-01 They were smart. Sassy. Daring. Exotic. Eclectic. Sexy. And influential. One could call them the first divas--and they ran absolutely wild. They were poets, actresses, singers, artists, journalists, publishers, baronesses, and benefactresses. They were thinkers and they were drinkers. They eschewed the social conventions expected of them--to be wives and mothers--and decided to live on their own terms. In the process, they became the voices of a new, fierce feminine spirit. There's Mina Loy, a modernist poet and much-photographed beauty who traveled in pivotal international art circles; blues divas Bessie Smith and Ethel Waters; Edna St. Vincent Millay, the

lyric poet who, with her earthy charm and passion, embodied the '20s ideal of sexual daring; the avant-garde publishers Margaret Anderson and Jane Heap; and the wealthy hostesses of the salons, A'Leia Walker and Mabel Dodge. Among the supporting cast are Emma Goldman, Isadora Duncan, Ma Rainey, Margaret Sanger, and Gertrude Stein. Andrea Barnett's fascinating accounts of the emotional and artistic lives of these women--together with rare black-and-white photographs, taken by photographers such as Berenice Abbott and Man Ray--capture the women in all their glory. This is a history of the early feminists who didn't set out to be feminists, a celebration of the rebellious women who paved the way for future generations.
