KewlBites Reed Alexander 2013-09-03
As a busy teen star, Reed Alexander's life is a balancing act. Several years ago, as he juggled career commitments and school, he lost sight of how to eat right, became overweight, and as a result, was exhausted and lethargic. Too tired to keep up with his hectic schedule, he decided to reclaim his health by changing his diet. A can-do guy, his first step was to learn how to cook for himself. Unable to find any recipes suited to a teenager's tastes, he rolled up his sleeves and set to work in his kitchen, developing healthy versions of the foods he loves. Along the way, he became a dedicated cook, sharing his culinary discoveries with his fans and friends on his website, KewlBites.com. Since then, Alexander has gained a cultlike following of both teen cooks and their parents. Inspired by the number of lives he has touched, Alexander has created 100 slimmed down, kid-tested, mother-approved alternatives for the foods teens love. In KewlBites, Reed Alexaner improves the health profile of such standard teen fare as sliders, chips, chicken fingers, tacos and fries, and he aims to expand the dinner menu to include such dishes as a Margherita Frittata, Oriental Chop Slaw, and Kewl and Breezy Shrimp Rolls. Throughout, he shares the tips, tricks, and methods he used to strip his favorite dishes of their unhealthy ingredients and replace them with flavorful, nourishing ones. He also offers up advice on how to make a shopping list, navigate the grocery store, and choose the freshest ingredients possible.

Capricorn (Cap) Anderson has never watched television. He's never tasted a pizza. Never heard of a wedgie. But when Rain falls out of a tree while picking plums and has to stay in the hospital, Cap is forced to move in with a guidance counselor and her cranky teen daughter and attend the local middle school. While Cap knows a lot about tie-dying and Zen Buddhism, no education could prepare him for the politics of public school. Right from the beginning, Cap's weirdness makes him a moving target at Claverage Middle School (dubbed C-Average by the students). He has long, ungrammed hair; wears hemp clothes; and practises tai chi on the lawn. Dancing Toward Sanity Jeff Slayton 2014-06-18
Jeff Slayton is a survivor of child abuse by both parents. This abuse was emotional, physical, and sexual in nature. He was raised in the Southern Baptist Church during a time when whatever went on within a family's home was not spoken about to anyone outside of the home. There were not the sources of help for abused kids like there are today. So in order to deal with his pain, Jeff turned to alcohol. His life and his sanity were also saved through dancing. While performing, he pretended to be anyone else but himself. In his late fifties, Jeff's world came crashing down around him emotionally. With help at age fifty-seven he got sober and has remained so for ten years. This book details Jeff's career and how it and the people around him helped him survive. It is also his attempt to give hope to others who have had or who are still going through the kinds of abuse that he suffered. He wants this book to show them they are not victims. What happened to them is not their fault, and there is hope for them to have a long and fruitful life.

Big Little Man Alex Tizon 2014-06-10
“Alex Tizon fearlessly penetrates the core of not just what it means to be male and Asian in America, but what it means to be human anywhere.”—Cheryl Strayed, *New York Times* bestselling author
Shame, Alex Tizon tells us, is universal—his own happened to be about race. To counteract the steady diet of American television and movies that taught Tizon to be ashamed of his face, his skin color, his height, he turned outward. (“I had to educate myself on my own worth. It was a sloppy, piecemeal education, but I had to do it because no one else was going to do it for me.”) Tizon illuminates his youthful search for Asian men who had no place in his American history books or classrooms. And he tracks what he experienced as seismic change: the rise of powerful, dynamic Asian men like Yahoo! cofounder Jerry Yang, actor Ken Watanabe, and NBA starter Jeremy Lin. Included in this new edition of *Big Little Man* is Alex Tizon’s “My Family’s Slave”—2017’s best-read digital article. Published only weeks after Tizon’s death in 2017, it delivers a provocative, haunting, and ultimately redemptive coda. “A ruthlessly honest personal story and a devastating critique of contemporary American culture.”—*The Seattle Times*
“Part candid memoir, part incisive cultural study, *Big Little Man* addresses—and explodes—the stereotypes of Asian manhood. Alex Tizon writes with acumen and courage, and the result is a book at once illuminating and, yes, liberating.”—Peter Ho Davies, author of *The Welsh Girl*
“This personal narrative of self-education and growth will engage any reader captivated by the sources of American, and Asian-American, manhood—its multitude of inheritances and prospects.”—*Minneapolis Star Tribune*

Profane Egyptologists Paul Harrison 2017-12-22
It is widely believed that the practice of ancient Egyptian religion ceased with the end of pharaonic culture and the rise of Christianity. However, an organised reconstruction and revival of the authentic practice of Egyptian, or Kemetic religion has been growing, almost undocumented, for nearly three decades. Profane Egyptologists is the first in-depth study of the now-global phenomenon of Kemeticism. Presenting key players in their own words, the book utilises extensive interviews to reveal a continuum of beliefs and practices spanning eight years of community growth. The existence of competing visions of Egypt, which employ ancient material and academic resources, questions the position of Egyptology as a gatekeeper of Egypt's past. Exploring these boundaries, the book highlights the politicised and economic factors driving the discipline's self-conception. Could an historically self-imposed insular nature have harmed Egyptology as a field, and how could inclusive discussion help guard against further isolationism? Profane Egyptologists is both an Egyptological study of Kemeticism, and a critical study of the discipline of Egyptology itself. It will be of value to scholars and students of archaeology and Egyptology, cultural heritage, religion online, phenomenology, epistemology, pagan studies and ethnography, as well as Kemetics and devotees of Egyptian culture.

Far Out Fashion Elizabeth Carol Sonneborn 2014-11-01
Many of today's trends are throwbacks to decades past. The 1960s and 1970s brought us pillbox hats and bell bottoms. People made their own tie-dyed shirts and flared pants. Add a little '60s and '70s to your wardrobe, and let history's fashions style your look.

Teens, TV and Tunes Doyle Greene 2014-01-10
This political analysis of teen culture examines the historical and ideological development of American youth society, the economic and ideological relationship between television and popular music, and the ideological rivalry between Nickelodeon and Disney. More than mere entertainment, teen sitcoms and pop music portray a complex and often contradictory set of cultural discourses. They engage in a process of ideology marketing and “hip versus square” politics. Case studies include *Saved by the Bell*, Britney Spears, the movie *School of Rock*, early “pop music sitcoms” like *The Monkees* and *The Partridge Family*, and recent staples of teen culture such as iCarly and *Hannah Montana*. What is occurring in teen culture has a crucial bearing as today's teens age into adulthood and become the dominant generation in the impending decades.

Required Reading: How to Get Your Life for Good Darryl Stephens 2015-07-16
Darryl Stephens is probably best known for his portrayals of other people, like Noah—the hopeless romantic on “Noah's Arc” or Lenny—the jaded pragmatist on “DTLA.” You've also seen him on “Private Practice,” “2 Broke Girls,” and on the big screen in “Boy Culture” and “Beyond the Lights.” Here, he steps out from behind the scripted characters to open up like never before about his experience as a black gay man in Hollywood. He shares personal stories about being closeted on set, dating in the age of hookup apps, visiting a black church, and feeling daunted by the notion of being a role model. He's straightforward and unapologetic in his pursuit of authenticity and encourages the reader to be as well. But mostly, he just wants you to get your life.
